This patriotic song was written by Irving Berlin during World War I in 1918 and revised by him in 1938 at the beginning of World War II.

"While the storm clouds gather far across the sea
Let us swear allegiance to a land that's free
Let us all be grateful for a land so fair;
As we raise our voices in a solemn prayer."

God bless America, land that I love
Stand beside her and guide her
Through the night with a light from above
From the mountains to the prairies
To the oceans white with foam
God bless America, my home sweet home
God bless America, my home sweet home
