

ABOUT AVALON HEALTH CARE

It is said that a nation's gratitude is measured by the way its people honor their defenders. In everything we do at Avalon Health Care, we strive to honor and serve our nation's most tenured veterans, as they have honored us through their service and sacrifice.

With over 35 years of broad experience and success across skilled nursing facilities and State Veterans Homes, Avalon Health Care is proud of our longevity in caring for our nation's aging veterans and residents, remaining committed to improving the quality of life of each individual through best-in-class care every day.

We provide quality post-acute rehabilitation, extended skilled nursing care, and specialized memory care. Our staff, residents, and volunteers create a warm and friendly community that seeks to uphold and affirm the dignity and joy of life as we care for the physical and emotional needs of our nation's veterans. Our care teams work together to create personalized treatment and activity plans to help veterans and their loved ones through their care journey.

We are committed to creating and maintaining a high standard of living for all South Carolina's Veterans we have the privilege of serving.
