Please explain how these funds will be used to provide a public benefit:

These funds will allow the community to participate in veteran related event spaces, support local youth in governmental learning opportunities, and maintain current veteran free spaces. This will allow veterans and the community to preserve our great South Carolina military history and have several locations that provide that service. Additional, services provided will ensure we have the proper partners in our local community to help effectively remove homelessness, advocate for veterans with mental disabilities, and allow them the place to thrive, not merely survive. Maintaining the veteran museums will preserve our rich history and give the public multiple places and opportunity to see a multifaceted approach to displaying and properly maintaining the artifacts in these collections. Honor flights allow the public to come and properly thank and welcome home our veterans after visiting the war memorials in our nations capitol allowing them to see that freedom is not free and the cost that comes with that freedom. It continues to add to the history of the State of South Carolina supporting our military service members and their families.
